

WHITWELL PRIMARY SCHOOL

AFTER SCHOOL KIDS CLUB

A Warm Welcome

We are so excited to be the provider chosen to provide your school with a kids club provision. We would like to welcome every to the Qualitas family, one that is ever growing as we look to provide quality provision where children can express themselves in a safe and encouraging environment.

There are various options for kids clubs all depending on what provision you may require. This is based on the time frame you are wanting our service and if food is needed for your child/children.

At the club the children will have access to a variety of sporting activities, with our purpose build kids club PE Curriculum, and our arts and crafts activities, also based around our Art Curriculum.

Over the summer holidays period we will be putting a plan in place to make sure we can provide the best provision for your child. Over the break we will be allocating the main contact for the provision. This person will be the regular face at the club who you can direct questions and enquires too. We will be in contact with the school regarding distributing these contact details.

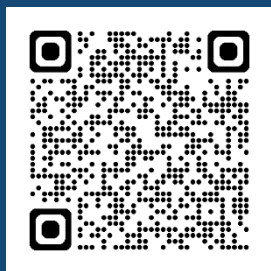

Bookings

We are now ready to take bookings online. To access the bookings you will need to visit the [qualitas shop](#):

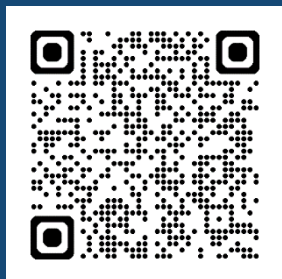

Please see breakdown of the offering:
