September 2022

Dear Parents/Carers

KS2 STEM Club

A KS2 STEM (Science, Technology, Engineering and Maths) club will start next week, on Tuesday afternoons from **3.25pm to 4.00pm**. The sessions begin on Tuesday 19th September 2023 and will be run by Mrs. Anderson up to the end of the term.

There are 10 places available due to the practical nature of the club. If more than 10 children would like to attend, names will be drawn from a hat on Friday 15th September. We will inform parents if their child has a place at the club.

Children will need picking up by a responsible adult at 4.00pm or if they are able to walk home alone please complete the consent form below giving your permission.

If your child would like to take part, please sign and return the slip below by Friday 15th September 2023, or complete the form electronically by clicking the link below.

Yours sincerely,

Mrs L Anderson
(Science Co-ordinator)
