7th November 2023

Dear Parents and Carers,

As we approach the Key Stage 2 SATs, we would like your child to attend booster sessions for maths and reading. The groups will take place straight after school on Thursday afternoons from 3.20pm – 4.10pm in the Year 6 classrooms.

These sessions are a valuable revision time for the children and will give an additional chance to sharpen their skills and knowledge in key areas of the curriculum. During these sessions we will be looking at real test questions and revisiting the topics already covered in class in order to develop understanding. We will choose questions to support and challenge your child and we hope to make them feel confident about answering SAT questions. The children will be split into different working groups led by Mrs Anderson, Mr Moore, Mr Stirling and Mrs Tomlinson.

The first session will be on Thursday 16th November and these will continue until the SAT tests in May. The last session will be Thursday 9th May 2024.

Please make arrangements for your child to be collected at the end of these sessions from the Key Stage 2 playground. If you would like your child to walk home on their own, please understand that there will be no crossing patrol and that it will be dark at 4.10pm.

Please complete the online form by clicking the link below or fill in and return the permission slip below.
