What is a home-school agreement?

A home-school agreement will explain the aims and values of your child's school. It will spell out the responsibilities, and what the school expects of their pupils.

Why are home-school agreements important?

Children achieve more when schools and parents work together. Home-school agreements will help you to work with your child's school. Your support and encouragement are very important if your child is to make the most of the school.

There are many ways you can help your child in school. By law you are responsible for making sure your child goes to school each day, and is on time.

But you can also help by supporting the school's rules, and its arrangements for homework. Make sure your child knows that you support the school's policies.

Please remember...

Please help us to create a positive environment for your child to be educated in. All school staff have the right to come to work in a safe environment. Any aggressive behaviour, whether verbal or physical, will be treated seriously and the governors would report any such incidents to the police.
