Deputy Head Teacher: Mr T Stirling

November 2024

*****Adverse Weather*****

I am sure that you will have seen the forecast for the next couple of days and I just wanted to remind you of the school procedures if there is adverse weather.

You will be notified via text message from Teachers2Parents, as soon as possible, if school is going to be closed. Please do not contact class teachers, as they will not know of the decision any sooner than you.

If you have recently changed your phone number, please ensure that the office have been updated.

There are lots of things this to consider before we make the decision to close, such as is the school site safe and can enough adults get into school to ensure children are safe. Another local school being closed does not mean that we will be closed too, each school's circumstances are different.

Sometimes it is possible to open school an hour or so later than normal, to allow staff time to travel safely. Most of our staff do not live locally.

Hopefully we will be open as normal, and the children will just be able to enjoy a snowy walk to school!

Many thanks

S Tomlinson
