15th October 2026

Dear Parents/Carers

We are planning a trip to Leicester Space Centre on **Wednesday 10th February 2027** as a fantastic end to our science work.

We will be going for a full school day, so your child will need to be in school for 8.30am as the coach will be leaving at 8.45. We will return to school by approx. 3:30pm.

Activities will be indoors, so a light jacket is all the children will need. Normal school uniform top should be worn and then comfortable (and appropriate) bottoms/shoes. Jeans/joggers and trainers would be ideal.

Children will require a packed lunch on the day. Children who receive free school meals must order a packed lunch and a drink.

The cost for each child is **£20** which includes coach travel to and from Leicester, the relevant insurances and the cost of entrance. Please consent and arrange for payment via the SCOPAY app or alternatively complete the form below and send payment to school no later than 5th February 2027. If you have any further questions, please do not hesitate to contact myself or the office.

Yours sincerely,

Mrs Anderson
