Meeting Topics

Summer Fair

- Ride has been booked. £350. Free for kids for 2 hours.
- Decided against a second free activity we would pay for. Tried lots of different options but all ranging £300+
- Considered buying things to do our own circus equipment / bubbles etc but decided against and will look at for next year as we get bigger.
- Climbing wall from Mayday event is free. Shelby has a van it will fit in. she will liaise with them to see if anyone is able to volunteer to man the wall on the event day. They will use as a promotional day for Guides as this will also cover insurance.
- Dancing is confirmed. 3pm time slot. Save Diane a disabled parking sport with cone so she has room to get out music equipment. Will need access to power.
- External suppliers have been booked in.
- Waiting on Pizza / donut guy to pay for his stalls.
- Fairy room is having a stall to promote their business. Should be nice and add an additional fun element as will be dressed up to promote.
- Band are not coming, they have not responded to us.
- Hope to get bigger and better year on year so not gone all in on the first so the expectation isn't crazy for next year. Saved some ideas for next year e.g. fire engines or police car come, coconut shy, bubble station, circus equipment etc
