Happy New Year everyone, and a huge thank you to all who supported our Christmas events.

A quick official update from us: in November we held our Annual General Meeting, and several committee members have now taken on new official roles. You can find the list at the bottom of this newsletter. If you would like to contact any of us, please email the school and mark it for their attention.

In addition to this termly newsletter, up to date information on upcoming events is always available in the FWPS section of the school website.
