RESOURCE PRODUCED
IN PARTNERSHIP BETWEEN

The School Games Organiser network and Active Derbyshire are working together to create and publish a weekly programme of activities to help support schools to assist parents and carers to maintain an active routine for children and young people whilst at home or when socially distancing in essential care.

The weekly activities will be sport themed and include golf, football, orienteering, athletics, cricket, gymnastics, boccia, netball and racket sports. All activities have been developed so everyone can have a go using equipment found in the home and in whatever space you have available.

Children and young people should engage in moderate-to-vigorous intensity physical activity for an average of at least 60 minutes per day across the week. This weekly resource will give simple ideas on how to be physically active with a different sport theme for 30 minutes each day. For ideas on how to achieve the remaining 30 minutes please visit the Active Derbyshire [website](#), or contact your local School Games Organiser by clicking on their logo within this resource.

This pack contains a schedule of suggested activity challenges for the week and daily activity cards. You do not have to do them in the suggested order or in fact do them all, if you really enjoy one day there is nothing stopping you doing that activity every day! However, if you do the personal challenge, we would encourage you to have a go at it each day and aim for improvement.

There will be a virtual competition each Friday, details of how to enter are shown on the schedule page and on the Friday activity card. The competition will be run at district and county level. There will be prizes for schools with the highest percentage of entries based on pupils on roll, certificates for all entrants and a prize draw after the last week for those who have entered 100% of the virtual competitions. Where permission has been granted, we may showcase entries, on the Active Derbyshire website, in our newsletter, on the Active Derbyshire Facebook, @Active Derbys Twitter account and with local media outlets. Please make sure that all activities are carried out in a safe manner.

We are very interested to receive your feedback so we can continue to do what works well but also make amendments to future weeks to ensure the resource is relevant and useful. Please send any feedback to derbyshireschoolgames@activederbyshire.org.uk

! Physical literacy/skills

ACTIVITY

- Gather your targets (objects) and decide where to play.
- Set them up outside in front of you, one to two metres away, ensuring you won't damage them or any other objects.
- Depending on what racket you have, think about the best way to play an accurate shot (avoid overhead serve shots if using a tennis racket)
- Play a shot to try and hit one of the targets. Whenever you hit a target, run and collect the target and resume aiming for the targets
- Repeat this process until all targets have been hit!

EQUIPMENT NEEDED

Racket: Any racket, but if you don't have one, try using a frying pan

Ball: Tennis ball, shuttlecock or makeshift ball, such as scrunched up foil or pair of socks

Targets: Cones, plastic bottles or cups, soft toys, other balls

How can you demonstrate honesty throughout this challenge?

Ensure you only pick up the targets you truly hit (it doesn't matter if you don't knock them over!)

LEAD OTHERS

Can you get others to create a scoring system for your game?

! TOP TIPS

This is about accuracy and not power, so relax when you play a shot

Target Practice

MAKE IT EASIER...

Practice hitting the targets by throwing the ball

MORE OF A CHALLENGE

Increase the distance between the targets and where you're hitting from

MAKE IT INCLUSIVE

Get someone to serve the ball towards your racket for you to then hit towards the targets

Racket Skills

MAKE IT EASIER...

Use a bigger ball and your hand

MORE OF A CHALLENGE

Hit each shot through a target made of two items. Keep decreasing the size of the target

Thursday Thinking

Noughts and Crosses

! Problem solving

ACTIVITY

- Make out a noughts and crosses grid (nine boxes) – check out the video [here](#)
- You will need two sets of three balls, or rolled-up socks
- Place two markers, two metres away from the grid and two metres away from each other. Put three balls, the same colour, behind each marker.
- Hit the ball with your hand towards the grid.
- Run out and place the ball in the middle of the first square it hits. If you miss the grid run out and bring the ball back.
- Two players – alternate attempts. Each player must wait until their opponent is back behind their marker before hitting. The first player to get three balls in a row wins. If no one has won when all the balls are on the grid, run and collect one of your balls and hit it again. Remove a ball that gives a chance of getting three in a row.
- For one player – alternate between the two different coloured balls aiming to get three of each in a line. How quickly can you do it?

EQUIPMENT NEEDED

Racket: Hand

Ball: 6 x rolled-up pairs of socks (3 dark, 3 light)

3 x 3 Grid: -Tape, rope etc or 9 targets eg hoops, magazines

Markers: (cones, tins, mugs, etc)

How can you show determination throughout this challenge?

Even if you are struggling to get three balls in a line keep going until you do

15mins

MAKE IT EASIER...

Throw the ball underarm rather than hitting it
Move to within one metre of the grid
Make the grid spaces bigger

MORE OF A CHALLENGE

Move three metres away from the grid
Play using your other hand
Make the target areas smaller.

MAKE IT INCLUSIVE

From a seated position, roll, hit, or throw the ball towards the targets.
Have a partner or member of your household to do the running for you.

LEAD OTHERS

Explain the game to a member of your household and demonstrate how to hit the ball with your hand. Challenge them to a game.

! TOP TIPS

Remember to follow through with your racket to your target. Do you need to hit your next shot harder or softer to hit your target?
